Ford Performance Engine Compartment Cap Cover set fits on all 2015-2017 Mustang GT and GT350 /GT350R models.

The Ford Performance logos are laser engraved into the billet aluminum CNC machined covers. Each cap cover is designed to push onto the existing engine compartment cap. Each cap cover has a piece of double sided tape if you wish to secure the cap covers in a permanent manner.

The cap covers will stay in place without the tape for show & can then be removed. The cap covers are anodized to protect the finish & maintain long lasting beauty.

The set includes: engine oil cap, brake reservoir cap, radiator overflow tank cap, supercharger reservoir cap & windshield washer reservoir cap.

Factory Ford shop manuals are available from Helm Publications, 1-800-782-4356
